

Weddings

We are very happy for you to be married at Holy Trinity, which normally can take place on most days between the hours of 11.00 am and 1.00 pm.

Please note we are an open liberal, inclusive church, happy to perform blessings for gay couples and will conduct gay marriages, when the Church of England finally allows us to exercise our conscience to do so!

Please meet with us after our Sunday 9.30 am service to determine the exact date and time.

We are required to comply with legislation, which means that you must live in our parish, which you can find out by typing in your post code here: <https://www.churchofengland.org/resources/church-near-you> with the result Dartford: Holy Trinity.

You can also qualify for a wedding in our church, if you have regularly worshipped with us for six months, or have a past family historical connection with us.

Have a look at the download form for a full list of fees and the information required to complete when we meet.

We look forward to meeting you one Sunday.
